a filo cuscino da 92

### Nota venditore/Note seller

I cuscini degli schienali sono considerati standard, distanziati tra loro con il codice indicato sulla pianta. In alternativa, indicare sull'ordine i cuscini a filo.

The backrest cushions are considered standard, spaced apart with the code indicated on the plan. Alternatively, specify flush cushions on the order.

It is possible to configure the flush backrests by calculating the seating space and dividing it by the various backrest dimensions.
